REGISTRATION: PAYMENTS FROM ABROAD

Method 1.

The preferred method to pay the fee is through TransferWise. It is cheaper, easier and faster than traditional bank transfer. Depending of your country, you may pay through credit card, debit card, or bank transfer. You may find the details of the recipient on item g) of the list below.

If you didn't use TransferWise before, please follow these instructions (the details may vary depending of your country).

- a) Go to transferwise.com.
- b) Create an account (a standard procedure: email plus password).
- c) The first time you log in, you will be asked for some personal data.
- d) Choose the amount of money to be transferred and your currency. Also, choose "ARS" (Argentinian pesos) as the recipient currency.
- e) Choose the method of payment: card or transfer.
- f) Choose "Business or charity" as the new recipient if this choice is available.
- g) Fill out the form with the following data of the recipient:

Their email: aaatesoreria@gmail.com

Name of the business/charity: Asociacion Argentina de Astronomia

Tax Id: CUIL/CUIT: 30709681199

Account number (CBU): 0070172920000012157633

h) If you are going to use bank transfer (not cards), TransferWise will then give you some important information about the TransferWise account and some reference numbers that you should copy in order to accomplish the next step.

i) If paying with bank transfer, go to your bank account and do a (local) bank transfer to your TransferWise account using the data you've just copied.

Method 2.

The traditional bank transfer is full of taxes and commissions and disadvantageous exchange rates. Your bank may also charge you taxes and/or commissions, depending on the bank policy.

When making the payment using either method, you are asked to send us an email to aaatesoreria@gmail.com in order to complete the registration. If you require an invoice, please let us know in such email.

To access the discounts per student, you must also send a certificate proving this condition. For PhD students, a note from their director is sufficient to certify the condition.

Last but not least, IF THE TRANSFER CORRESPONDS TO THE REGISTRATION PLUS SOME EXTRA ACTIVITIES, PLEASE SEND US ALSO THE DETAILS WITHIN THE EMAIL (e.g. "The amount transferred corresponds to the registration, reservation for two for the eclipse activity and one hardback volume of the proceedings").

(Method 3.

Of course, if you know someone close to you in Argentina, you may ask him/her to make a local payment and then refund the money. In such case, you are requested to send us an email to aaatesoreria@gmail.com with the details of your local contact.)
